- This **Basic Tenant Repair and/or Replacement Charge Listing** is subject to adjustment upon 30 day posted notice due to increased material and/or maintenance labor costs and does not apply to work performed by any non-Housing Authority employee, i.e. contracted vendors and/or professional repair service companies.
- Items that are repaired and/or replaced along with maintenance labor charges are billed on the following month's rent statement and must be paid in full no later than the 1st of each month in which the charge has been billed to a tenant's account.
- All tenant damaged items are billed according to the current material replacement cost and the current maintenance labor cost (adjusted annually as of July 01 of each calendar year).
- (*) Signifies that maintenance labor is a separate fee from the cost of the repaired/replaced item.
- (+) Signifies that maintenance labor will be assessed at an overtime or double time rate, depending upon the call out day and time.
