

Housing Authority of Joliet Property Bar List

In an effort to maintain safety for residents, staff, contractors and guests of the Housing Authority of Joliet, the agency publishes the names of individuals who have been barred from entering public housing program housing developments.

The purpose of the Property Bar List is to keep residents informed of the Housing Authority of Joliet's ongoing effort to improve the quality of life and safety for residents of the public housing program and to allow for the peaceful enjoyment and use of facilities.

How to Use the Housing Authority of Joliet's Property Bar List

The Property Bar List is organized alphabetically by last name. If a date of birth is known, this information shall appear with the individual's name along with the reason for the property bar.

The most current version of the Property Bar List is online for instant access at the Housing Authority of Joliet's website (www.hajoliet.org).

How to Report an Individual Who Has Violated the Property Bar List

If anyone witnesses an individual whose name appears on the Property Bar List on Housing Authority of Joliet property (loitering, visiting a resident, or committing a crime), please contact the Property Manager or the City of Joliet Police Department. If no one is available to take your telephone call, please leave a message that contains the following information: (1) the name of the barred individual, (2) the date and time of your observance (very important to review any security camera footage), and the name and address of who the barred individual was visiting with while on the property. You may leave this information anonymously.
