INDEPENDENT AUDITORS' REPORT

Board of Commissioners
The Housing Authority of Joliet
Joliet, Illinois

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of the Housing Authority of Joliet (the Authority) as of and for the year ended June 30, 2022, and the related notes to the financial statements, which collectively comprise the Authority's financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the Authority as of June 30, 2022, and the respective changes in financial position and cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Authority and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Change in Accounting Principle (Emphasis-of-Matter)

As described in Note M to the financial statements, as of the beginning of the fiscal year, the Authority adopted *Governmental Accounting Standards Board Statement No. 87 – Leases*. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Housing Authority of Joliet's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Audit Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Authority's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

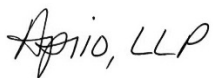

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis on pages 8 through 16 be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the Authority's basic financial statements. The accompanying Schedule of Expenditures of Federal Awards as required by Title 2 U.S. *Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* and the Financial Data Schedule are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedule of Federal Awards and financial data schedule are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated March 23, 2023 on our consideration of the Authority's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on effectiveness of the Authority's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Authority's internal control over financial reporting and compliance.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT
OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS**

Board of Commissioners
The Housing Authority of Joliet
Joliet, Illinois

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Authority, as of and for the year ended June 30, 2022, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements, and have issued our report thereon dated March 23, 2023.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Authority's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, we do not express an opinion on the effectiveness of the Authority's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Authority's financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

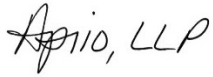

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Authority's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Authority's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Authority's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND REPORT ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

Board of Commissioners
The Housing Authority of Joliet
Joliet, Illinois

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited the Housing Authority of Joliet's (the Authority) compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of Authority's major federal programs for the year ended June 30, 2022. The Authority's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Authority complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2022.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Authority and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of Authority's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Authority's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Authority's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Authority's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Authority's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Authority's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

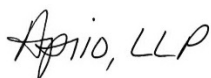

Report on Internal Control Over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

**HOUSING AUTHORITY OF JOLIET, ILLINOIS
MANAGEMENT'S DISCUSSION AND ANALYSIS (MD&A)
FOR THE YEAR ENDED JUNE 30, 2022**

The Housing Authority of Joliet's ("the Authority") Management's Discussion and Analysis is designed to (a) assist the reader in focusing on significant financial issues, (b) provide an overview of the Authority's financial activity, (c) identify changes in the Authority's financial position (its ability to address the next and subsequent year challenges), and (d) identify individual program issues or concerns.

Since the Management's Discussion and Analysis (MD&A) is designed to focus on the current years activities, resulting changes and currently known facts, please read it in conjunction with the Authority's financial statements.

FINANCIAL HIGHLIGHTS

- The Authority's net position increased \$357,210 in 2022. Net Position was \$34,041,787 and \$34,398,997 for 2021 and 2022 respectively.
- Revenues increased \$386,393 during 2022 and were \$51,548,373 and \$51,934,766 for 2021 and 2022 respectively.
- Total expenses increased \$5,415,097 during 2022 and were \$46,162,459 and \$51,577,556 for 2021 and 2022 respectively.

USING THIS ANNUAL REPORT

The Report includes three major sections, the “Management’s Discussion and Analysis (MD&A)”, “Basic Financial Statements”, and “Other Required Supplementary Information”:

Authority-Wide Financial Statements

Statement of Net Position

These Statements include a Statement of Net Position, which is similar to a Balance Sheet. The Statement of Net Position reports all financial and capital resources for the Authority. The statement is presented in the format where assets, minus liabilities, equals "Net Position", formerly known as equity. Assets and liabilities are presented in order of liquidity and are classified as "Current" (convertible into cash within one year), and "Non-current".

The focus of the Statement of Net Position (the "Unrestricted Net Position") is designed to represent the net available liquid (non-capital) assets, net of liabilities, for the entire Authority. Net Position (formerly equity) are reported in three broad categories:

Net Investment in Capital Assets: This component of Net Position consists of all Capital Assets, reduced by the outstanding balances of any bonds, mortgages, notes or other borrowings that are attributable to the acquisition, construction, or improvement of those assets.

Restricted Net Position: This component of Net Position consists of restricted assets, when constraints are placed on the asset by creditors (such as debt covenants), grantors, contributors, laws, regulations, etc.

Unrestricted Net Position: Consists of Net Position that do not meet the definition of "Net Investment in Capital Assets" or "Restricted Net Position."

Statement of Revenues, Expenses, and Changes in Net Position

The Authority-wide financial statements also include a Statement of Revenues, Expenses and Changes in Net Position (similar to an Income Statement). This Statement includes Operating Revenues, such as rental income, Operating Expenses, such as administrative, utilities, maintenance, and depreciation, and Non-Operating Revenue and Expenses, such as grant revenue, investment income and interest expense.

The focus of the Statement of Revenues, Expenses and Changes in Fund Net Position is the "Change in Net Position," which is similar to Net Income or Loss.

Statement of Cash Flows

Finally, a Statement of Cash Flows is included, which discloses net cash provided by, or used for operating activities, non-capital financing activities, investing activities and from capital and related financing activities.

The Authority's Programs

Many of the programs maintained by the Authority are required by the Department of Housing and Urban Development. Others are segregated to enhance accountability and control.

Conventional Public Housing – Under the Conventional Public Housing Program, the Authority rents units that it owns to low-income households. The Conventional Public Housing Program is operated under an Annual Contributions Contract (ACC) with HUD, and HUD provides Operating Subsidy and Capital Grant funding to enable the PHA to provide the housing at a rent that is based upon 30% of household income.

Capital Fund Program – a grant program funded by the Department of Housing and Urban Development as the primary sources of funding for physical and management improvements to the Authority's properties.

Central Office Cost Center (COCC) – As part of its conversion to Asset Management, the Authority established the COCC to manage and oversee the operations of the Public Housing Developments and other grant programs. Utilizing a "fee for service" approach, the COCC recognizes revenues through management and service fees charged to the other programs. Management fees cannot exceed the "safe harbor" amount established by HUD.

Section 8 Housing Choice and Mainstream Vouchers Program – Under the Housing Choice Vouchers Program, the Board administers contracts with independent landlords that own the property. The Board subsidizes the family's rent through a Housing Assistance Payment made to the landlord. The program is administered under an Annual Contributions Contract (ACC) with HUD. HUD provides Annual Contributions Funding to enable the Board to structure a lease that sets the participants' rent at 30% of household income.

Other smaller programs are:

- Disaster Voucher Funding
- Family Self Sufficiency Program
- Blended Component Units

AUTHORITY-WIDE STATEMENTS

Statement of Net Position

The following table reflects the condensed Statement of Net Position compared to the prior year. The Authority is engaged only in Business-Type Activities.

| Total Net Position | \$ 34,398,997 | \$ 34,041,787 | \$ 357,210 |

Major Factors Affecting the Statement of Net Position

During 2022, current and restricted assets increased by \$1,235,994. The increase was primarily due to an increase cash and cash equivalents and accounts receivables. Other assets decreased due to payments received on developer fees receivable offset by an increase in interest accrued on notes receivable. Capital assets decreased due to depreciation expense exceeding capital additions. Current liabilities decreased primarily due to a decrease in accrued payables. Non-current liabilities decreased due primarily to payments on debt.

Table 2 presents details on the change in Unrestricted Net Position

MAJOR FACTORS AFFECTING THE STATEMENT OF REVENUES AND EXPENSES

The excess of revenues over expenses decreased due to an increase in expenses exceeding an increase in revenues.

Revenues increased mainly due to an increase in other revenue offset by decreases in tenant rental revenue and operating grants. Other revenue primarily consists of HAP port in revenue.

Expenses increased due primarily to an increase maintenance expenses and housing assistance payments.

CAPITAL ASSETS AND DEBT ADMINISTRATION

Capital Assets

As of year-end, the Authority had \$15,706,515 invested in a variety of capital assets as reflected in the following schedule, which represents a 4% decrease from last year.

ECONOMIC FACTORS

Significant economic factors affecting the Authority are as follows:

- Federal funding provided by Congress to the Department of Housing and Urban Development
- Local labor supply and demand, which can affect salary and wage rates
- Local inflationary, recessionary and employment trends, which can affect resident incomes and therefore the amount of rental income
- Inflationary pressure on supplies and other costs
- Potential political and economic conditions due to public health concerns related to the novel coronavirus or COVID-19

THE HOUSING AUTHORITY OF JOLIET, ILLINOIS

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2022

NOTE A - SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the Housing Authority have been prepared in conformity with generally accepted accounting principles (GAAP) as applied to government units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The Authority is a Special Purpose Government engaged only in business-type activities and therefore, presents only the financial statements required for the enterprise fund, in accordance with GASB Statement 34 paragraph 138.

The Authority has multiple programs which are accounted for in one enterprise fund, which is presented as the "enterprise fund" in the basic financial statements as follows:

Enterprise Fund – In accordance with the Enterprise Fund Method, activity is recorded using the accrual basis of accounting and the measurement focus is on the flow of economic resources. Under the accrual basis of accounting revenues are recorded when earned and expenses are recorded at the time liabilities are incurred. This required the Housing Authority to account for operations in a manner similar to private business or where the Board has decided that the determination of revenues earned, costs incurred and/or net income is necessary for management accountability.

Governmental Accounting Standards – The Housing Authority has applied all applicable Governmental Accounting Standards Board pronouncements.

FURTHER SIGNIFICANT ACCOUNTING POLICIES ARE:

Cash and Cash Equivalents

The Housing Authority considers cash on hand and cash in checking and money market accounts to be cash equivalents. Cash on hand is not included in calculation of collateral required.

Accounts Receivable

Tenant accounts receivables are carried at the amount considered by management to be collectible. Tenant accounts receivable are immaterial for further disclosures. Other Accounts Receivable consists primarily of HUD grants receivable and receivables from other Authorities for HAP payments.

Prepaid Items

Prepaid Items consist of payments made to vendors for services that will benefit future periods.

Unearned Revenue

The Authority recognizes revenues as earned. Amounts received in advance of the period in which it is earned is recorded as an Unearned Revenues.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

NOTE A - SIGNIFICANT ACCOUNTING POLICIES- CONTINUED

Inventories

Inventories consist of supplies that have not been used or consumed. Inventory is valued at the lower of cost or net realizable value and recorded as an expense when it is consumed.

Revenue Accounting Policies

Dwelling rent income, HUD Grants received for operations, other operating fund grants and operating miscellaneous income are shown as operating income. HUD grants received for capital assets and all other revenue is shown as non-operating revenue.

Capital Assets

Capital Assets are recorded at cost. Depreciation is computed using the straight-line method over the estimated useful lives of the assets. The costs of maintenance and repairs are expensed, while significant renewals and betterments are capitalized. Small dollar value minor equipment items are expensed. Depreciation on assets has been expensed in the statement of revenue and expenses. Estimated useful lives are as follows:

| | |
|----------------------------|---------------|
| Buildings and Improvements | 15 - 20 years |
| Furniture and Equipment | 5 - 10 years |

Authority management has assessed the carrying values of capital asset balances as of June 30, 2022, and as of March 23, 2023. No significant capital asset value impairments exist as of the noted dates.

Indirect Cost Recovery

Direct costs are charged to the Authority's applicable programs. The Authority charges indirect costs to its Central Office Cost Center and charges the programs management fees based on fee rates provided by the Department of Housing and Urban Development.

Budgetary Control

The Authority maintains budgetary controls over its enterprise fund, as required by the Budget and Fiscal Control Act and the terms of the Authority's annual contributions contract with HUD. An annual budget is adopted for its enterprise fund, except for the Authority's Capital Fund Grant Program. A multi-year budget is adopted for each Capital Grant within the Capital Fund Grant Program. The annual budget was prepared on the accrual basis of accounting.

NOTE B - REPORTING ENTITY DEFINITION

The Housing Authority is a public body and a body corporate and politic created under the authority of the State of Illinois. The Authority was created for the purpose of providing safe and sanitary housing for the low-income citizens of the City of Joliet. The applicable jurisdictions appoint the Board of Commissioners. However, the Housing Authority has complete legislative and administrative authority and it recruits and employs personnel. The Authority adopts a budget that is approved by the Board of Commissioners. Subsidies for operations are received primarily from HUD. The Authority is responsible for its debts and is entitled to surpluses. No separate agency receives a financial benefit nor imposes a financial burden on the Authority.

NOTES TO FINANCIAL STATEMENTS – CONTINUED

NOTE B - REPORTING ENTITY DEFINITION - CONTINUED

In determining how to define the reporting entity, management has considered all potential component units. The decision to include a component unit in the reporting entity was made by applying the criteria set forth in the *Governmental Accounting Standards Board Statement No. 61: The Financial Reporting Entity: Omnibus* – an amendment to of GASB Statements No. 14 and No. 34. These criteria include manifestation of oversight responsibility including financial accountability, imposition of will, financial benefit to or burden on a primary organization, and financial accountability as a result of fiscal dependency. Based upon the application of these criteria, the reporting entity includes the following blended and discrete component units:

Will County Housing Development Corporation (*Blended Component Unit*) is a nonprofit corporate affiliate created by the Authority to assist, as a public charity, needy persons of low income by providing safe, sanitary and affordable housing. The Board of Directors consists of members of the Housing Authority's Board of Commissioners; therefore, the Will County Housing Development Corporation is a blended component unit of the Authority. The entity's fiscal year end is December 31. Additional information concerning the Will County Housing Development Corporation can be obtained by contacting the Authority at 6 South Broadway, Joliet, Illinois 60436.

Briggs – Rosalind Development, LLC (*Blended Component Unit*) is a limited liability company formed under the laws of the State of Illinois on March 6, 2006. The Company was formed to act as general partner of Briggs-Rosalind Phase One, LP a limited partnership established for the purpose of holding low income housing tax credits under Section 42 of the Internal Revenue Code, and to develop Briggs-Rosalind Apartments a 74 unit apartment complex intended primarily for low-moderate income tenants.

Liberty Meadow Estates, LLC (*Blended Component Unit*) is a limited liability company formed under the laws of the State of Illinois on March 18, 2008. The Company was formed to act as general partner of Liberty Meadows Estates, Phase II, LP a limited partnership established for the purpose of holding low income housing tax credits under Section 42 of the Internal Revenue Code, and to develop Liberty Meadows Estates a mixed-income, mixed finance residential rental housing project.

Water-McDonough, LLC, (*Blended Component Unit*) is a limited liability company formed under the laws of the State of Illinois on July 13, 2015. The Company was formed to act as general partner of Water's Edge, LP a limited partnership established for the purpose of holding low income housing tax credits under Section 42 of the Internal Revenue Code, and to develop Water's Edge a low income rental housing project consisting of 68 units

Liberty Meadow Estates Phase III, LLC (*Blended Component Unit*) is a limited liability company formed under the laws of the State of Illinois on June 4, 2018. The Company was formed to act as general partner of Liberty Meadows Estates, Phase III, LP a limited partnership established for the purpose of holding low income housing tax credits under Section 42 of the Internal Revenue Code, and to develop Liberty Meadows Estates a mixed-income, mixed finance residential rental housing project.

NOTE C - CASH AND INVESTMENT DEPOSITS

Custodial Credit Risk - The Authority's policy is to limit credit risk by adherence to the list of HUD permitted investments, which are backed by the full faith and credit of or a guarantee of principal and interest by the U.S. Government.

Interest Rate Risk – The Authority's formal investment policy does not limit investment maturities as a means of managing its exposure to fair value losses arising from interest rate volatility.

NOTES TO FINANCIAL STATEMENTS – CONTINUED

NOTE C - CASH AND INVESTMENT DEPOSITS - CONTINUED

The U.S. Department of HUD requires housing authorities to invest excess funds in obligations of the U.S., certificates of deposit or any other federally insured investments.

The Authority's cash and cash equivalents consist of cash held in interest bearing checking accounts totaling \$12,177,198. The remaining \$400 is held in petty cash funds at the Authority.

Deposits with financial institutions are secured as follows:

| | <u>Audited Balance</u> | <u>Bank Balance</u> |
|---|------------------------|----------------------|
| Insured by FDIC | \$ 500,000 | \$ 500,000 |
| Collateralized with specific securities in the Authority name which are held by the financial institution | 11,677,198 | 12,271,184 |
| Uncollateralized | <u>\$ 12,177,198</u> | <u>\$ 12,771,184</u> |

All investments are carried at cost plus accrued interest, which approximates market. The Authority had no realized gains or losses on the sale of investments. The calculation of realized gains or losses is independent of a calculation of the net change in the fair value of investments.

NOTE D - CONTRACTUAL COMMITMENTS

The Authority had outstanding contractual commitments as of the Statement of Net Position date as follows:

| <u>Type Commitment</u> | <u>Amount</u> |
|--|---------------|
| Construction Contracts | \$400,564 |
| Professional and Maintenance Contracts | 761,316 |

NOTE E - CONCENTRATION OF RISK

The Authority receives most of its funding from HUD. These funds and grants are subject to modification by HUD depending on the availability of funding.

NOTE F - RISK MANAGEMENT

The Authority is exposed to various risks of losses related to torts; thefts of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The Housing Authority carries commercial insurance for all risks of loss, including workman's compensation and employee health and accident insurance. The Housing Authority has not had any significant reductions in insurance coverage, or any claims not reimbursed.

NOTES TO FINANCIAL STATEMENTS – CONTINUED

NOTE G – USE OF ESTIMATES IN PREPARING FINANCIAL STATEMENTS

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and deferred outflows and inflows, revenues and expenses in the financial statements. Accordingly, actual results could differ from those estimates.

NOTE H – COMPENSATED ABSENCES

It is the Authority's policy to permit employees to accumulate a limited amount of earned but unused annual leave. Employees receive annual hours based on the number years of service. Upon separation from employment, an employee shall be paid for all allowable accumulated annual leave, as of their final date of employment. Leave accrued but not yet paid as of the end of the fiscal year, is shown as a liability allocated between current and non-current.

NOTE I - PENSION PLAN

The Authority provides a defined contribution plan administered by John Hancock. All regular and full-time employees are eligible to participate in the plan upon completion of the evaluation period and extension if applicable. The employee may contribute a portion of their gross salary to the plan. The Authority will match the employee contribution up to six percent. The plan provisions and matching contributions are determined by the Board of the Housing Authority. In a defined contribution plan, benefits depend solely on amounts contributed to the plan plus investment earnings. Contributions for the year ending June 30, 2022 were \$61,254.

Other than the above defined contribution plan the Authority does not participate in Other Post-Employment Benefits (OPEB).

NOTE Q – INTERPROGRAM ACTIVITY

The Housing Authority manages several programs. Many charges, i.e., payroll, benefits, insurance, etc. are paid by the Housing Authority's various funds and are subsequently reimbursed. Balances due for such charges are reflected in the Interprogram Due to/Due from account balances. The balances are eliminated on the top-level financial statements.

NOTE R – PILOT AGREEMENT

The Authority has entered into a Payment In lieu of Taxes (PILOT) agreement with Joliet whereby the Authority agrees to pay a negotiated sum in lieu of city real property taxes. As of June 30, 2022, the Authority owes the City \$112,154 for PILOT costs for the year.

NOTE S – GROUND LEASE

The Authority entered into a ground lease on August 16, 2011 with the Liberty Meadow Estates Phase II, LP. A base rent of \$1 per year is to be paid until the ground lease expiration date ninety-nine (99) years from the commencement date. The Partnership is responsible for all taxes, insurance, and other costs during the lease term. The cost of the leased land is not material to the financial statements.

The Authority entered into a ground lease on November 4, 2019 with the Liberty Meadow Estates Phase III, LP. The lease runs for 99 years expiring October 31, 2118. Rent in the amount of \$10 was prepaid in full concurrently with the execution of the ground lease. The Partnership is responsible for all taxes, insurance, and other costs during the lease term. The cost of the leased land is not material to the financial statements.

NOTE T – RESTRICTED ASSETS AND RESTRICTED NET POSITION

The Authority's restricted cash at June 30, 2022 consists of the following:

| | <u>Enterprise Fund</u> |
|--|----------------------------|
| FSS Escrows | \$ 493,374 |
| Restricted for Disaster Voucher Program | 4,802 |

NOTE V – COMMITMENTS AND CONTINGENCIES

Amounts received or receivable from HUD are subject to audit and adjustment by grantor agencies. If expenses are disallowed as a result of these audits, the claims for reimbursement to the grantor agency would become a liability of the Authority. In the opinion of management, any such adjustments would not be significant.

NOTE W – UNEARNED REVENUE

The Authority had the following in unearned revenue at June 30, 2022:

| | <u>Enterprise Fund</u> |
|------------------------------|------------------------|
| Deferred Cell Tower Lease | \$ 457,500 |
| Unearned Insurance Proceeds | 84,800 |
| Tenant Rent | 6,301 |
| Less Current Portion | <u>(106,101)</u> |
| Total Other Unearned Revenue | <u>\$ 442,500</u> |

NOTES TO FINANCIAL STATEMENTS – CONTINUED

NOTE X – SUBSEQUENT EVENTS

In preparing financial statements, management evaluated subsequent events through March 23, 2023 the date the financial statements were issued and concluded that no subsequent events have occurred that would require recognition in the financial statements or disclosures in the notes to the financial statements.
